DPA (London) Ltd. retain copyright of the design, scheme & ownership of the drawings. Drawings should be read in conjunction with structural engineer's drawings and information. Any omission to be reported to and clarified with client prior to commencement. Verify dimensions, levels and existing structure, etc, on site prior to commencement. All works to comply with current regulations, British and European Standards. Please note that before building works commences it is the responsibility of the builder or owner to serve party wall notices to all neighbours. Initial drawings submitted to Building Control are subject to additional information required by Building Control / NHBC, which could have significant cost or additional works to be done on site. All works commenced on site prior to obtaining full building control approval will be carried out at your own risk.
