Dear MR P VICARY

Re: VARIATION OF CONDITION 5 (OF APPLICATION S6/2009/2273/FP) TO No construction works (including demolition) to the existing roof of the dwellinghouse shall be commenced between the 1st May and 31st August inclusive or carried out between 1st November and 31st May inclusive in any year. In addition, works can only be carried out if temperatures are above 8 degrees Celsius in the Spring (March/April) period. Any other times and temperatures are to be approved in writing by the Local Planning Authority. A suitable replacement roosting site must be constructed before any works to the roof of the existing house commence.
THE VINE THE RIDGEWAY NORTHAW POTTERS BAR EN6 4BL

Thank you for your recent planning application. I should be grateful if you could put the enclosed notice(s) on the application site.

The notice should be:

- Put up on Monday 11th January 2010 (or before)
- Kept in place until 1st February 2010
- Replaced if the notice is removed or defaced
- Put on or near the site to which the application relates
- Visible and legible to anyone passing by without the need to enter the site
- If there is more than one road frontage or footpath next to the site put a notice on each

Once the site notice has been put up please could you sign and return one copy of this letter. If the site notice is not displayed in accordance with the above or we don't receive a signed copy of this letter it may delay our consideration of your application. Please do not hesitate to contact me if you have any questions.

Yours Sincerely
Mr P Jefcoate
