Proposal

ERECTION OF TWO STOREY SIDE EXTENSION

Decision

Notice is given under article 10 of the Town and Country Planning (General Development Procedure) Order 1995 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

This application is for the construction of two storey side extension following demolition of existing garage. The plan show two parking spaces located to the front of the property. The plan shows the area available for parking as 5m x5m, however it is not clear from the plans that there is actually 5m length in front of the property. It is possible that the second vehicle could be parked at an angle to prevent it overhanging the shared access way.

Hertfordshire County Council as Highway Authority considers the proposal would not have an unreasonable impact on the safety and operation of the adjoining highways.
