Subject: Welwyn Hatfield Council Online Planning - Comment

Application Number: S6/2010/1052/FP

Name: [Redacted]
Address: 1 Tolmers Gardens
Cuffley

Comment Type: Object

Comment: We have already written to object to this application. The amended plans remove the balcony but make the amount of light blocked out to our rear garden slightly worse. This therefore remains an unacceptable development as a result of the impact on our direct light to the garden and diffused light to the rear windows (see reference to BRE digest in original correspondence).
