Dear Sirs

FLATS AT REAR OF STATION RD

I presume this will mean access to these flats is into Tolman Rd, & if so I protest most strongly as there is a dangerous sketch of road, not suitable for any main traffic. As you have been aware of on previous occasions the land should be used for a pair of Sennis, as the original Planning permission is the rest or extension of Tesco Car Park

Who will be responsible for the  
first death occurring?

James faithfully
