In pursuance of its powers under the above Scheme the Council hereby **APPROVE** the building, alterations or other works proposed in your application received on 15/06/2010 subject to the following conditions:-

1. This consent shall expire three years after the date hereof (or such other extended date as the Council may agree) unless the works hereby approved shall be completed before that date.
2. All works carried out in pursuance of this consent shall be and remain part of the Premises and shall be subject to the terms and conditions of the conveyance in all respects as if such works had at all times formed part of the Premises.
3. This consent or copy hereof shall be annexed to the Conveyance.
4. There shall be no encroachment over the boundary of the plot either above or below ground level, nor any interference with the foundations of the adjoining property without the agreement of the adjoining owner or lessee.
5. This consent now issued is given by the Council only in accordance with the requirements of the Management Scheme/Conveyance or Leasehold Covenants.

REASON: To comply with the requirements of the Estate Management Scheme

6. C.13.1 The development/works shall not be started and completed other than in accordance with the approved plans and details 1:1250 Site Location Plan & 1:500 Block Plan & 2586-P01, received and dated 15 June 2010, unless otherwise agreed in writing by the Local Planning Authority.

REASON: To ensure that the development is carried out in accordance with the approved drawings and any changes must be agreed in advance in writing by the Local Planning Authority.

Continuation...

REASON FOR APPROVAL

It is considered that the proposed development does not have an unacceptably harmful impact on the amenities and values of the area in which it is located. It is therefore in compliance with the Estate Management Scheme.

INFORMATIVE

The granting of this permission does not convey or imply any consent to build upon or access from any land not within the ownership of the applicant
