Dear Mrs. Hughes,

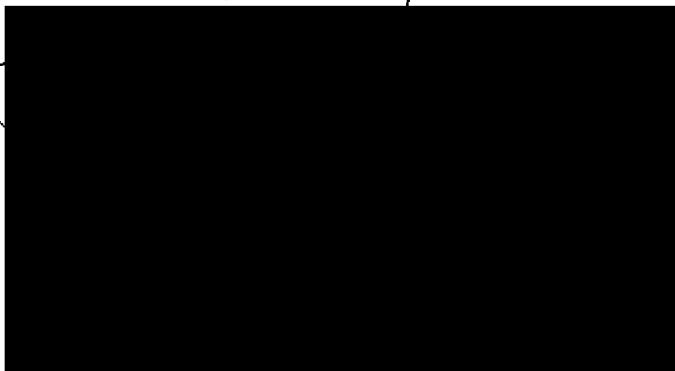

**Re: Planning Application S6/2010/1710/FP – GEORGE’S GATE, HATFIELD HOUSE.**

With reference to the above, I enclose a ‘flyer’ advertising the Firework Display in Hatfield House Park, in conjunction with Welwyn Hatfield District Council, on 5<sup>th</sup> November.

It is clearly advertised that one of the three vehicle entrances for this event will be via George’s Gate. Fore Street and Station Lodge provide pedestrian access only. I reiterate even more strongly the concerns expressed in my previous letters opposing the above application, particularly the unrealistic car parking capacity claimed as a finite figure of 149 vehicles.

The use of George’s Gate for this event makes a mockery of the three sensible conditions and understandings imposed on this application by Highways to ensure road safety, if planning consent is granted at next week’s Planning Committee Meeting.

Yours sincerely,

HATFIELD HOUSE
