Ms. Lisa Hughes  
Planning Officer  
Welwyn Hatfield Borough Council  
Council Offices  
The Campus  
Welwyn Garden City, Herts., AL8 6AE

Dear Ms. Hughes,

Re: Planning Application No. S6/2010/1711/FP  
(Viaduct Car Park)

I am writing to support this planning application.

The area concerned is enclosed within the estate of Hatfield House and the use of the designated area will not adversely affect the community outside the Estate but it will greatly benefit those members of the Hatfield community who are able to use the facilities of the Park : both visually and in terms of safety, since drivers to the new car park would have much easier and shorter access and would not need to drive , as they do at present, through areas much used by walkers who are often accompanied by children and dogs.

I hope that this application may be successful in order to benefit local residents.

Yours sincerely,
