My Ref. 110706

Dear Madam,

22 Kingswell Ride, Cuffley

With reference to the recent planning permission granted for alterations to the roof and the construction of two dormer windows, my clients now wish to extend the eastern one by 1.6m. The extended section would include a window (in place of the rooflight) but this would be obscure-glazed and fixed shut so would have no effect on the neighbouring property. Several other properties in this road have similar, much larger, dormer windows, and the proposal will have no effect on the neighbouring properties so I therefore look forward to receiving your approval in due course.

Please note that work on the approved scheme has already started.

Yours faithfully,

Martin Bridge F.R.I.C.S.
