Address: 19 Park Street
Old Hatfield AL9 5AT

Comment Type: Observation

Comment: As you can see we live in Park Street next to the public house and have a small garden. Both my husband and I have retired and enjoying a quiet life in Old Hatfield and we are very concerned about the noise of drilling, lorries coming and going and generally looking and hearing a building site for how ever long it takes to develop. We are also wondering how high the new car park's second story will be

Sausbury Square.
