Comment: I am a local resident in Old Hatfield.

I have studied the plans for Salisbury sq. I have two comments

1. We don't want destination shops, boutiques and jewellers in this residential area - we want every day convenience shops, bakers and a post office. I agree that the old block could do with improvement but am concerned that we will lose the present cheap supermarket and newsagent (Costcutter), hairdresser and laundrette as they will not be able to afford the rents in future.

2. I am concerned that there are plans to scrap the pedestrian only access and open up a road. Not only does it destroy the green, shrubs and trees but in my view it is far too narrow by the buildings opposite the 8Bells and the thought of a cross roads there is frankly ridiculous.
