Subject: S6/2011/2817/FP – 1 The Cottages, Shepherds Way, Brookmans Park
Erection of two storey side extension, alterations to windows and door on rear elevation and insertion of velux windows.

I have reviewed the proposal for the above site and refer to drawing number 5856-01.

Arboriculturally: There is a very large ash tree within the rear garden of the above property. The working zone and construction zone will be outside the root protection area.

Overall I have no objections to this application. I hope that these comments are clear and that if you need anything further then please contact me.
