Application Number: S6/2012/0085/FP

Name: [REDACTED]

Address: 10 Northaw Road East,  
Coffley,  
Herts EN6 4LT

Comment Type: Object

Comment: Due to the elevation in this area, ANY extension to 14 Church Close will directly overlook our garden and property and the surrounding properties at Northaw Road East. The property at 14 Church Close has already been extended, and any additional extension would be totally unacceptable. This is not the first time planning permission has been requested. We objected last time for the aforementioned reasons, and nothing has changed. It is time consuming and annoying to have to repeat our objections. If you send a site inspector, the elevation problem is so obvious for anyone to see, with the exception of 14 Church Close.
