Full application

Proposal
Formation of new firearms training range, replacement bullet catcher and backstop structure with associated landscaping

Decision
Notice is given under article 16 of the Town and Country Planning (Development Management Procedure) (England) Order 2010 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

This application is for the formation of new firearms training range, replacement bullet catcher and backstop structure with associated landscaping. The location is the Police Headquarters which are accessed from Stanborough Road WGC and the access arrangements are unchanged. This is a replacement range and as the existing range is already used by Hertfordshire and Bedfordshire Police and the hours of operation are to remain the same, Hertfordshire County Council as Highway Authority considers the proposal would not have an unreasonable impact on the safety and operation of the adjoining highways.
