Subject: S6/2012/1591/FP – Northaw C of E Primary School, Vineyards Road,
Northaw
Erection of mobile classroom unit

I have reviewed the proposal for the above site and refer to drawing number 8644/04.

Arboriculturally

There are several trees within the grounds, the most notable one close to the proposed block is a weeping willow. The tree should be of sufficient distance from the new block to remain unaffected.

Landscape

The proposed block is partially hidden by the existing building from the west and south. A roadside and internal to the site hedge and a shrubbery act as partial screening from the south east. As the bulk of the building will be screened from the road it is not necessary to suggest more landscaping for this site.

Summary

Overall I have no objections to this application. I hope that these comments are clear and that if you need anything further then please contact me.
