CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1. THE WRITTEN REPRESENTATIONS PROCEDURE _____ ✓

This is normally the simplest, quickest and most straightforward way of making an appeal. The 'Householder Appeals Service' written procedure is particularly suited to small-scale developments.

2. THE HEARING PROCEDURE _____

This procedure is likely to be suited to more complicated cases which require detailed **discussion** about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate will consider whether your appeal is suitable for this procedure against the criteria. You must give detailed reasons below or in a separate document why you think a hearing is necessary.

Please answer the question below.

- a) Is there any further information relevant to the hearing which you need to tell us about? If so please explain below. YES NO

3. THE INQUIRY PROCEDURE _____

This is the most formal of procedure. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure against the criteria. You must give detailed reasons below or on a separate sheet why you think an inquiry is necessary.

Please answer the questions below.

- | | | | |
|---|------------------|----|--|
| a) How long do you estimate the inquiry will last?
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.) | No. of days | | |
| b) How many witnesses do you intend to call? | No. of witnesses | | |
| c) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below. | YES | NO | |
