**Decision**

Notice is given under article 16 of the Town and Country Planning (Development Management Procedure) (England) Order 2010 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

The amended plans shows two parking spaces to the front of the property which are already in use. The previous comments of the highway authority (repeated below) are unchanged.

This application for extensions will not impact upon highway safety or capacity. Off street parking is retained to the front of the property, no alteration to the existing vehicle access is required and traffic generation is unlikely to change.
