15 January 2013

Dear Mr. Peacock,

Further to our meeting last Thursday regarding the planning application for fencing at Nyn Park, Northaw, I would like to reiterate the following points:

1. We would need a space of at least 3 metres between the fence and our hedge in order for us to cut it by tractor as this is a particularly substantial established hedge.
2. We request that the fencing be no taller than the existing hedge particularly where the cottage forms the boundary. It would feel very claustrophobic if the fence were to be visible from the rear windows where it would be close to the property.
3. We would also ask consideration to be given to the wildlife that has had the freedom to roam in the Park in the past.

Yours sincerely,

Pat and Al Arce (Mr. & Mrs.)
