

Photo of front elevation of 10 Park Street, Hatfield

Appendix 2

This is the front door of 10 Park Street. It is proposed to replace the wooden six panel door with a wooden six panel door. It is proposed to paint the new door black as the peeling paint shows the door use to be black and a significant number of doors in old Hatfield are black.

This is the other external door of 10 Park Street. It does not open. It is proposed to paint this door black.
