Comment: There is a significant issue with this proposal - parking. This proposal does not include any parking provision. It is likely these new properties will have between 4-9 additional cars. Since the parking restrictions have been introduced into Old Hatfield, parking has been fine; there have only been a handful of times we have had to park miles away. However, with an additional 4-9 cars this could create a significant issue. I have a young child and it would be very difficult to regularly have to park a 15 minute walk away.
