Dear Sir/Madam

Re Planning Application S6/2013/1886/FP *3 Orchard Close*

We refer to your letter dated 11th September regarding the above planning application and would make the following comments:-

We were informed that the developers were only demolishing the single storey building and then re-building to the same size as existed previously.

We are now informed that a new plan has been submitted for a two storey side and rear extension, plus a loft conversion. It would appear that the developers have proceeded in advance of planning permission being given.

We feel that we have been deceived by the developers.

Yours faithfully

AJ & JP Godfrey
