Application Number: S6/2013/1886/FP
Name: Mr and Mrs MOY
Address: 36 Kingsmead
Cuffley, EN6 4AN
Comment Type: Observation

Comment: We strongly object to the development. The proposed development - which has already been built - has first and second floor windows which directly overlook our property and have a negative impact on our property. This has resulted in a loss of privacy and is already overbearing impact on an everyday basis. The first and second floor windows will all overlook our living room and balcony which due to the different ground levels are overbearing. Planners please come and look at the ground levels of the proposed development and our property which it directly backs onto. Its effect can only have a negative impact on our daily lives. We strongly object and believe it to be an unauthorised development without planning approval or consent. Mr and Mrs Moy
