Subject: FW: 79 Bramble Road, Hatfield - Planning Permission for the building of an extension

Good Morning,

Please could these comments be added to S6/2013/2243/FP

Thanks very much

Kate

Subject: 79 Bramble Road, Hatfield - Planning Permission for the building of an extension

I understand that our neighbour, Mr and Mrs Welch at No 79 Bramble Road, Hatfield, are planning to build an extension up against my property wall.

I disagree with the plans for the extension as, by reference to my architect's plans, I am now able to demonstrate that the building as shown on the planning proposal infringes on my border by 10 cm, which means that Mr and Mrs Welch would be building on my land. I have been told by building control that it is not possible for them to build on my land. This is the observation I wish to make.

Please acknowledge that you have received this email.

Many thanks
