Dear Madam

Re: S6/2013/2202/FP

Erection of side, rear single storey, and side and rear first floor extensions at 17 Kingsmead, Cuffley, Herts

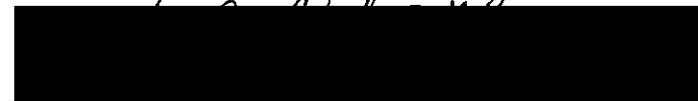

I wish to comment on the proposed above planned extensions.

\*It is my opinion that the proposed extensions to No 17 would be totally out of keeping with the rest of the properties in Kingsmead. Kingsmead was one of the very first estates built in Cuffley as a small cul-de-sac of single storey bungalows. The character of the road is important to its residents.

\*The plans show a large increase in the size of the existing property, effectively making what is a bungalow into a 2 storey house. This is inappropriate and would be out of character, and obtrusive.

\*For my neighbours at 11a and No 15, the proposed alterations would be overbearing and very unfair. It would also completely change their outlook, as indeed it will alter mine, also restricting views of countryside beyond.

Yours faithfully

Iris Osborne (Mrs)
