Dear Mr Peacock,

**Ref: - S6/2013/2202/FP - Erection of side, rear single storey, and side and rear first floor extensions at 17 Kingsmead Cuffley Potters Bar**

Further to our letter of 3 December objecting to the proposed plans for the above mentioned extensions, attached are three photographs that demonstrate the overbearing and detrimental impact of this development on our property.

Several of the neighbouring properties are also very worried about the possibility of this large scale development ruining our current amenities of privacy, view and light.

We would appreciate your advice as to whether or not this application will be decided at a public meeting. We would be very keen to attend this meeting to express our views and would like to be advised of the meeting details.

Yours sincerely
