Conversion of garage into habitable accommodation

**Decision**

Notice is given under article 16 of the Town and Country Planning (Development Management Procedure) (England) Order 2010 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

The planning application is to convert the garage to an additional room probably to be used as a bedroom. The loss of garage means loss of off street parking space. However, there are additional off street parking space and Flamingo Close is a local access road with no on-street parking concerns. Highway Authority does not wish to restrict the grant of consent
