Proposal

Installation of 1no flex face non illuminated to replace existing sign

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Comment:

Proposals are non-illuminated and not considered shall represent a significant distraction to vehicles on the adjacent highway (A1001), Comet Way. Whilst Comet Way roundabout junction with St Albans Road / Cavendish Road identifies a history of minor severity accidents (5 year) these are focussed at the roundabout itself. The sign, in its proposed location is significantly back from this point and therefore shall not interfere with vehicles approaching this junction. HCC, as highway authority, would not wish to object to the proposals.
