<b>Comments</b>	<input type="text" value="Myself and my wife both strongly object to the two proposed dwellings at the end of our garden. Firstly I can not understand why in a large four bedroom house with a proposed side extension,the purpose of two independent dwellings. We would loose light on vegetable patch(rendering it useless). We have grown vegetables since 1976, also we would be overlooked losing the privacy in our garden, if the tenants(in the two dwellings) decide to play loud music we and the gardens joined to us would suffer, this is a lovely neighbourhood and we all appreciate it to remain the way it was. Yours Sincerely [REDACTED]"/>
