Comments	The proposed side dormer over the rear extension, which has been built without planning permission, presents an overbearing presence. Its domineering appearance of the side dormers, with its dark bulkiness, casts a shadow over my rear patio. The owner's lack of	

current planning application is identical to previously refused application 6/2023/1934/HOUSE. From what I can see, no changes have been made from the previously refused application

refused application 6/2022/2114/HOUSE and 6/2023/1934/HOUSE. Furthermore, the

regard and concern to the planning laws is apparent as what is constructed is the previously
