Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Objection is raised to this prior notice of development of the property into a house which would be totally out of character and not fit in with the local street scene on this side of Northaw Road East where these properties are bungalows built around the early 1930:s where permitted development would not apply and contravene the Cuffley & Northaw Neighbourhood Plan. Northaw Road East is a traffic sensitive Road with a school nearby and further objections are made that any builders trucks, vans & cars should not be parked on the pavement so that pedestrians have to walk in the road and endanger children going to school."/>
