Comments	<input type="text" value="As a resident of the Broadway i object to this application for numerus reasons. The building in its current state has never ending rubbish, the current owners, employees and tenants park their cars wherever they want and in any direction with no consideration. Imagine what this would cause with more residential properties! The Shisha Bar and the restaurant have zero consideration for anyone on the parade and the current occupiers on the flats above at 12a Harpsfield are extremely noisy. This will not bode well for residents and businesses on that Broadway. Please consider these objections"/>
