Comments	<input type="text" value="If this 14X units was the only development on this site it could probably enhance the area. however this proposal scales to 600 plus units. It the same objections as usual into Cuffley & Goffs Oak. 1. impact on traffic 2. impact on local facilities. 3. impact on the greenbelt (why does the council always suits itself?) Cuffley & Goffs Oak has a disproportionate amount of development compared to similar villages"/>
