

Comment for planning application 6/2020/0935/MAJ

Application Number	<input type="text" value="6/2020/0935/MAJ"/>
Location	<input type="text" value="Comet Hotel, St Albans Road West, Hatfield, AL10 9RH"/>
Proposal	<input type="text" value="Temporary partial change of use of Student Accommodation (Sui Generis) to Serviced Apartments (C1)"/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="We wish to object due to the plan to manage parking. There is very limited parking on site approx.85 spaces. When these are fully booked Fusion will still offer bookings and let the potential client decide whether they still want to book on that basis. We feel Fusion should not offer any more bookings once the car park is full as these will impact on the local roads of the neighbourhood. We have suffered enough disruption in Ashbury Close already from Fusions students and visitors and we do not need another wave of this.Fusion also make the point of the financial hit they are taking during this crisis, but we believe planning applications should be judged on planning merit not on financial considerations."/>
