<b>Comments</b>	<input type="text" value="There should be no development in a Green Belt area. there are far more suitable areas nearby. The site is far away from Cuffley village, too far to walk, and will encourage more vehicular traffic as evidenced by the number of car parking spaces provided. There will be significant traffic issues near the site being opposite a busy sports and leisure area with children playing. I have concerns that this is part of a far larger development which will be totally unacceptable without extra access roads, cycle and footpaths for access to Cuffley and surrounding areas."/>
