Objection to 14 homes on a portion of the Wells Farm site at Northaw Road East. I wish to object to the planning application that has been submitted for 14 homes on a portion of the Wells Farm site at Northaw Road East. The reasons why I am objecting are as follows: 1. The development in the Green Belt (this whole area is one of the highest levels of Green belt grading which inspector has already identified and advised it is an area to be taken out of the Local Plan) ) 2. It's a development that is physically removed from the village of Cuffley 3. There is no defensible Green Belt boundary 4. There are no 'very exceptional' circumstances to justify removal from the Green 5. Belt 6. Traffic issues In addition, I note the Inspector when looking at the old Local Plan before taking this area out of the local pan made the following observations in his provisional report. Ran out of space so gave unloaded my full objections a pdf bow
