Comments	is within valued Green Be development. The propose which would be unsustain no good reason to lift Grewith the additional traffic development in the area traffic issues". Cuffley has Hertfordshire. The reside developments that encro	development for the following reasons: The proposed development elt area and would open the gateway to further Green Belt sed housing of 14 houses is the beginning of much bigger plans nable because it is removed from existing village facilities. There is een Belt restrictions at this location. The existing roads cannot cope cheralded by this initial development. and further housing has been rejected by the Planning Inspector because of "significant is too much development compared to other villages in ents in the Cuffley, Northaw area are firmly against any ach on Green Belt land because we are well aware that once it is fill lose a vital barrier to urban spread. Please respect our views and area.
