

Comment for planning application 6/2020/1463/FULL

Application Number	<input type="text" value="6/2020/1463/FULL"/>
Location	<input type="text" value="1 Maynard Place Cuffley Potters Bar EN6 4JA"/>
Proposal	<input type="text" value="Erection of a one storey roof extension to create no 6 flats including 3 x 1 bed and 2 x 2 bed flats, associated parking and cycle and refuse provision."/>
Case Officer	<input type="text" value="Ms Clare Howe"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Dear Clare. I have already objected to the proposed extension works but would like to add a further point. One of my original objections is the loss of my existing skylight and natural light into the flat. My further concern is that six out of the seven second floor flats have similar skylights (and these can be seen on google earth maps) but not all the residents of the second floor flats are owners and landlords may not be aware of the proposed works. I am currently out of the country so can't liaise with my neighbours but I feel strongly that the design of the proposed development has not taken into consideration the loss of skylights, natural light and ventilation to the existing flats. Regards, Jason"/>
