

Comment for planning application 6/2022/2168/FULL

Application Number	<input type="text" value="6/2022/2168/FULL"/>
Location	<input type="text" value="87 De Havilland Close Hatfield Hertfordshire AL10 0DP"/>
Proposal	<input type="text" value="Provision of kitchen facility to facilitate the creation of a separate dwelling from existing HMO property"/>
Case Officer	<input type="text" value="Ms Kirsty Shirley"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="According to an Appeal Ref:APOP/C1950/C/13/2191701 in 08/2013 The floor area of unit is approx.14 sq.mtrs for living,sleeping &cooking! The size of this self contained unit does not compare favourably to standards of HMO accomodation! We were led to believe that this unit was to be for storage! Refuse bins are unsightly outside of the property and are detrimental to the appearance of Worcester Road.They are gradually being moved onto the grass adjacent to our property.There is a large red Commercial Bin plus two domestic ones!We have to keep ours off the road until collection day!!! There is no parking provision and many times there has been parking in front of our drive! On the adjacent grass area,which used to have posts around, parking has knocked them down!"/>
