Comments	<input type="text" value="We strongly object to this development on green belt land ,(1) this would be the start of a very large development because the defensive boundary would be removed, (2) there are no very exceptional circumstances to justify removal from Greenbelt ,(3) traffic is very heavy along this stretch of road and any development would only worsen this already major problem (especially when problems occur on the M25 causing congestion on local roads already happening) ,(4)Cuffley has a disproportional amount of development compared with similar villages,(5)any development would put more strain on our local health services,schooling,etc."/>
