In pursuance of their powers under the above mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council hereby **PERMIT** the development proposed by you in your application received with sufficient particulars on 26/10/2007 and shown on the plan(s) accompanying such application, subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

**REASON:** In order to comply with Section 91 of the Town and Country Planning Act (As amended)

### REASONS FOR APPROVAL

The proposal has been considered against development plan policies (i.e. Hertfordshire Structure Plan Review 1991 - 2011 & Welwyn Hatfield District Plan 2005 GBSP1, D1, D2, and Supplementary Design Guidance), in addition to the Human Rights Act 1998, which indicate that the proposal should be approved. Material planning considerations do not justify a decision contrary to the Development Plan (see Officer's report which can be inspected at these offices).

### INFORMATIVES

Please note that should you intend to install external security shutters this will require planning permission. It is suggested that you contact the duty officer to discuss the design of these.
