Dear Ms Hale,

Re: Erection of ground floor extension & construction of a basement following evacuation and demolition of existing pool area and removal of external paving and terraced areas - Wildewood Kentish Lane Brookmans Park Hatfield AL9 6JG

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application. I note it succeeds a previous planning application for a similar, but larger scale, proposal on which this office commented (6/2017/2281/HOUSE, our letter dated 18th October 2017).

Please note that the following advice is based on the policies contained in the National Planning Policy Framework.

As per our previous advice, in this instance I consider that the development is unlikely to have a significant impact on heritage assets of archaeological interest, and I have no comment to make upon the proposal.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,
