<b>Comments</b>	<input type="text" value="A similar request was made a year or so ago to extend up, also to approximately 9 metres, by adding a 3rd level to a property on the road in-between Theobolds and Station Road. This planning request is 100% not in keeping with the surrounding properties and anyone who finds themselves in a property next to a 3 level house will have their privacy, views and light severely impacted. If this planning gets granted it will open the flood gates and create a race to the top and, causing anyone who can't afford to build-up to suffer."/>
