Comments	<input type="text" value="I object to the proposed development at 35 Northaw Road East. If this development goes ahead it will directly impact our access to sunlight and daylight. According to the plans, the additional storey will be 2.5 metres above the highest point of our house. This will reduce our privacy as the proposed 3rd floor will overlook our entire garden. In general, this proposal is overbearing and to my knowledge, will be the only property of its kind on the road. If they wanted to do a loft extension instead, we would be supportive. Kind regards, [REDACTED]"/>
