In pursuance of their powers under the above mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council hereby **REFUSE** the grant of listed building consent to the works described above and proposed by you in your application received with sufficient particulars on 30/07/2008 and shown on the plan(s) accompanying such application.

The reason(s) for the Council's decision to refuse listed building consent for the works proposed is/are:-

1. The proposed detached garage would form a highly prominent structure within the immediate setting of the main house. The garage would detract from the appearance of the Listed Building and have a detrimental impact upon the existing character and appearance of the locality. There is insufficient evidence to justify such a significant change and harmful impact to their overall appearance. The proposal therefore does not comply with the requirements of PPG15 (Planning and the Historic Environment).

Site Location Plan 6103/2/01 & 6135/2/12 & 6135/2/13 & 6135/2/14 all received and date stamped 3 July 2008.
