Comments	The owner of 391 is already the owner of hmo in Hatfield. This house has always been overcrowded with her staff. She is intending to build the extra garden rooms for hmo purposes. Although the house plans are not over developing, the garden rooms will allow her to have 7-8 bedroom hmo. If this happens the neighbours will be absolutely disgusted with your decision. We already have parking problems in the area and I strongly object to building hmo in our road full of families.
