<b>Comments</b>	<input type="text" value="I am strongly objecting to this application on behalf of myself and my family who have lived in Cuffley since 2006. We live not too far from Wells Farm and feel this would affect life in our village dramatically. The plan is remote from the Village so would encourage people to drive to the local shops and services adding even more pressure to our very busy country roads which were not designed to take the amount of traffic we have to deal with every day. This would also add further pressure on the local school, doctors, dentists etc etc. There is no natural boundary at the north of the site which is a requirement of Green Belt Rules. I also feel that it would allow further development in the future."/>
