Please lodge our objection to this development. We have lived in Cuffley since 2006 and have seen over the years a great increase in not only traffic passing through but more green belt being bought up for housing.

This development will greatly add to this problem.

There are 4 generations living in our household, my mother who is 90, myself, my daughter and my the granddaughter who is 12 who has had to be home schooled for the past year as council rejected our application for her chosen school, Chancellors. There are too many people and not enough facilities in Cuffley, please do not make this matter any worse,
