Re: Planning permission to turn 28 Salisbury Square into a dog-grooming salon and shop

Dear whom it may concern

I would like the opportunity to turn the above empty premises into a dog grooming salon and shop.

I have conducted extensive research and believe opening this salon and shop would be hugely beneficial to both Old Hatfield and the surrounding towns and areas.

The salon and shop would comprise of the following areas; wash room, dry room, an area where dogs could wait for their owners to pick them up, a reception area and a shop area selling dog and other pet goods.

The services we would offer include clipping, washing, cutting and drying hair, brushing and dog sitting.

If you would like any more information please do not hesitate to contact me on

Many thanks

Yours faithfully
