Town and Country Planning (General Development Procedure) Order 1995 as amended by the Town and Country Planning (General Development Procedure) (Amendment) (England) Order 2008)

Dear Sir/Madam

Development Site Address: 28 Salisbury Square

Thank you for your recent application for the above development.

The application has been checked for the necessary information required to make it valid in accordance with the Planning Application Checklist approved at Planning Control Committee on 13th March 2008 and further to the guidance contained within 'The Validation of Planning Applications (Guidance to Local Authorities)' DCLG, December 2007 and Communities and Local Government Circular 02/2008

All plans and drawings must be accurately drawn, to a suitable standard using a conventional metric scale. Plans / drawings containing disclaimers such as "not to scale" and "do not scale" will not be accepted by the Council (with the exception of perspectives) and drawings must be true to the stated scale

It is considered that the information requested is the minimum necessary and is required to enable determination of the application in accordance with national guidance and policy statements, Regional, County and Local Plan Policies.

Please send us the following items:

- ✓ Existing & Proposed Elevations (e.g. at a scale of 1:50 or 1:100)
