<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="As stated in our objection to the previous application, we do not object to the garage conversion/single storey side/rear extension as this will increase the existing living space inline with the rest of the neighbourhood. We do have concerns about the number of 'bedrooms' this could create if the space is not used as stated and therefore the number of tenants living there. Our concerns in relation to highway safety still stand as they already block the pavement on a regular basis due to lack of driveway space and parking restrictions on the road."/>
